Competitions will take place either in the gym or outside.

- Sign up during lunch on Wednesday, September 30 – Thursday, October 8.
- Only 2 boys and 2 girls from each class will be allowed to enter each day. A person may enter one lunch competition throughout the week.
- There will be one male winner and one female winner Monday, Wednesday, and Thursday. Tuesday, students representing each grade will work as a team, so one grade level will win overall. 10 points will be awarded to each winning person/team on Monday, Wednesday, and Thursday. Depending on how many medallions are found and who finds them will determine how points are awarded—up to 20 points are possible.
- Rules will be announced at the beginning of each competition.
