Faith-Filled and Welcoming to All

Our program is rooted in Catholic values and faith formation, while embracing families of all backgrounds. Students learn morality, belief, hope, and love in a setting where they are cared for and supported each day.

Personalized Support That Makes a Difference

Smaller class sizes and the support of both a teacher and a full-time assistant help us meet each child's unique needs academically and personally while building meaningful connections that support confidence and growth.

Note: all children must be toilet trained prior to entering four-year-old kindergarten.
