

## **Columbus Catholic High School and Middle School Dress Code (Revised 6/06/2024)**

Columbus Catholic believes that following an established dress code is an integral part of the preparation of your son/daughter for life in future professional, academic, and religious environments. Faculty and students at Columbus Catholic are expected to dress in a God-pleasing manner with focus on the dignity of the human body. It is Columbus Catholic's expectation that parents will offer proper guidance to their son/daughter in matters of dress.

DSP 5690 (Diocesan School Policy 5690) states that the manner of dress helps the student grow in the virtue of modesty which is at the foundation of self-respect and respect of others. It further states that dress codes safeguard & promote the Christian learning environment and that expectations are raised positively when there is a different style of dress for school than for other more casual and relaxed venues. For additional reflection on clothing choices, refer to [CCC 2522 \(Catechism of the Catholic Church 2522\)](#).

The dress code is in effect from the time the students enter the building and remains in effect until their departure. Any exceptions to the dress code will be announced during morning or afternoon announcements. Violations are to be addressed immediately. Students in violation may be asked to change, given detention (for 3 or more violations), and/or have parents notified. The faculty and administration of Columbus Catholic have final determination on the acceptability of student dress in cases where there is a difference of opinion.

**All clothing should be neat, clean, fit reasonably, be modest, and be in good condition. Student appearance should be neat, well-groomed, and dignified. Please remember that due to growth and frequent washings, clothing that met dress code stipulations in September may not be appropriate later in the year.**

***Our dress code is designed to specify allowed attire; if not mentioned, it's not permitted.***
