

COLUMBUS CATHOLIC HIGH SCHOOL DRESS CODE (REVISED 7.2.20)

Columbus Catholic believes that following an established dress code plays an integral part in the preparation of students for life in future professional, academic, and religious environments. Faculty and students at Columbus Catholic are expected to dress in a God-pleasing manner with a focus on the dignity of the human body. It is Columbus Catholic's expectation that parents/guardians will offer proper guidance and guidance to the students in matters of dress.

DSP 5690 (Diocesan School Policy 5690) states that the manner of dress helps the student grow in the virtue of modesty which is at the foundation of self-respect and respect of others. It further states that dress codes safeguard & promote the Christian learning environment and that expectations are raised positively when there is a different style of dress for school than for other more casual and relaxed venues. For an additional reflection on clothing choices, refer to [CCC 2522 \(Catechism of the Catholic Church 2522\)](#).

The dress code is in effect from the time the students enter the building and remains in effect until their departure. Any exceptions to the dress code will be announced during morning or afternoon announcements. Violations are to be addressed immediately. Students in violation may be asked to change, given detention (for 3 or more violations), and/or have parents/guardians notified. The faculty and administration of Columbus Catholic have the final determination on the acceptability of student dress in cases where there is a difference of opinion.

Backpacks

Backpacks are useful for students as an organizational tool; however, they can be hazardous to teachers who are circulating in their classrooms and are a definite safety hazard if left in the hallways.

After discussion with the CCHS Student Council, the following agreement was reached regarding the use of backpacks at Columbus Catholic.

- Backpacks are permitted in school but **MUST NOT** be left in the hallways at any time.
- Backpacks in the classroom **MUST BE** in one of three spots:
 - An area designated by the teacher
 - On the back of the chair
 - On the floor beneath the table/desk

Mission Club Dress Down Fundraisers

Dress Down Days are an opportunity for students and faculty to support various charities. Those charities are selected by Mission Club. On dress-down days, students are allowed to wear clothes outside of the normal dress code, provided they are meeting the shoulder, midriff, and hemline requirements in the dress code above, and are school appropriate. Leggings are not permitted but sweatpants are ok. (These guidelines are also used for final exam protocol.)

Jeans cannot have holes or frays and must remain at waist level (no sagging, low rise, or low riding pants). T-shirts must be school appropriate; graphics and/or advertisements of illegal substances, inappropriate or offensive graphics, references to sex, drugs, profanity, racial or ethnic slurs are in violation of tees and jeans guidelines.

Mission Club Advisors, Dean of Students, and Principal reserve the right to modify this statement as necessary and reserve the right to determine what might be disruptive, unsafe, or inappropriate.
