

Arline H. Stangl Memorial Scholarship

The Arline H. Stangl Memorial Scholarship was established in 2014 in memory of Arline. Arline and her husband Gene were married in 1952 at Our Lady of Peace, 1952, the same year that Columbus High School was built. Gene and Arline had five children that attended OLP and graduated from Columbus Catholic High School. Arline believed in Catholic education recognizing the importance of daily Faith Formation. Her commitment to Columbus continues as her family honors her with an annual scholarship, given in her name, to an Our Lady of Peace parishioner who will enter 9th grade at Columbus Catholic.
