

Heinzen-Wunrow Family Scholarship

The Heinzen-Wunrow Family Scholarship was established in 2010 by David and Jean (Heinzen) Wunrow. Jean is a graduate of Columbus and Dave is a strong supporter of CCS. Their two children, Lindsay and Gregory, are also graduates of Columbus. Receiving a faith-based education is important to the family and has been for over 40 years. The Heinzen-Wunrow family recognizes the many financial sacrifices it takes to provide this wonderful learning opportunity for children and young adults. They are hopeful that this scholarship will ease some of the financial burden a family takes on to send their child(ren) to CCS.
