

Ron and Ellen Maurer Family Scholarship

The Ron and Ellen Maurer Family Scholarship was established in 2016 by Ron and Ellen Maurer. Ron is a graduate of Columbus as well as his three children. Receiving a Catholic education was important to Ron's parents and to him as a parent. He is thankful for the outstanding education he and his children received at Columbus. He recognizes the sacrifice it takes to provide this opportunity for children. Ron and Ellen established this scholarship to help other students that want a faith based education attend Columbus.
