

Middle School and High School Parents,

As you know, many things regarding athletics are unknown at this moment due to the COVID-19 situation. With our fall seasons rapidly approaching, we are working hard to offer our athletes the safest and most valuable experience possible. We are learning more each day how that may look.

This year, our fall sports meetings will be broken down by sport, with each meeting being held in the Columbus gymnasium. This will allow us to be safe and distant while still discussing the upcoming seasons. We will also discuss in detail the COVID-19 adaptations for each individual sport as they pertain to athletes, coaches, and fans.

All forms (except for the Safe Environment forms) are now available and you can complete them online. You will find them [HERE](#).

Please complete the following for athletics.

- **Alternate Year Physical Card (online)**— only if you submitted a complete physical form last year
- **Athletic Waivers (online)**
- **Child Comprehensive** - Mrs. Nielsen will give you the child comprehensive forms when you come to the meeting.
- **Preparticipation Physical Evaluation Form** - only if you did not submit a complete physical form last year. This one needs to be printed off for a physician to sign.

Below are the date and times for our fall sports meetings. We are requesting that at least one parent attends with each athlete:
