PARENT CONTRACT FOR PAROCHIAL TRANSPORTATION AID

Contract Payment Terms

Reimbursement per Parent Transportation Contract shall be based on the school district's average cost per pupil for regular (to and from school) bus transportation in the previous school year, excluding transportation for kindergarten pupils during the noon hour and special transportation for pupils with disabilities.

The annual payment of this contract per pupil for the **2023-24** school year shall be \$647.68 payable by orders drawn upon of the school district. The number of days during the school year that the child actually attended school in-person shall be tracked by the private school and reported to the School District of Spencer. **If**, based on the daily rate of \$3.68 multiplied by the number of actual attendance days, the cost of transportation is less than \$647.68, the parent or guardian will receive the lesser amount.

Parent/Guardian: Complete the information requested below, sign and date the contract and return to your school office or to the District Office, Spencer Public Schools by May 15, 2024. Payment of transportation aid will be made by June 30, 2024.

Children must be 4 years old on or before Sept 1 of the beginning school year in which aid is requested and meet the guidelines of Section 121.54(2) (b)1., Wis. Stats.
