SUMMER READING CHALLENGE

The Summer Reading Challenge is back!

This year's Challenge will run from June 9th through July 19th. Once again, we are offering the Challenge for all ages to encourage everyone to do some summer reading.

The theme of Color Our World will be incorporated into activities and programs throughout the six weeks of the challenge.

Readers can log their progress using the Beanstack app. If you're not comfortable using the app, we will have paper log forms available. Just bring your log to either of the Information Desks and we will enter your information into Beanstack for you!

And, of course, we will have fabulous prizes from a number of local businesses and supporters.

We can't wait for you to Color Our World this summer!
