

Marshfield Parks & Recreation Department's

# ARBOR DAY CELEBRATION!

Join us at Braem Park & help us plant 140 trees!

An Arbor Day presentation will be given by the City Forester, followed by a demonstration of how to properly plant a tree. Then, we will be working as a team to plant 140 trees. Students will break into groups of five and have a group leader accompany them. They will be responsible for planting the tree, covering roots with dirt, and watering the tree. All tools will be provided. Plan to wear clothes that can get dirty!

Thursday, April 17, 2025  
12:15 p.m. - 2:15 p.m.

Braem Park  
905 N Cedar Ave
