

Growing Together Community Gardens

Marshfield

- Eat healthy when you grow your own produce
- Be active - gardening is moderate exercise
- Make friends and learn from other gardeners
- Learn more about gardening

- Garden sites are fenced to discourage pests
- Gardeners will be given the combination to open the locked gate
- Gardeners are asked to assist with spreading mulch and fresh compost annually and to help keep their bed(s) and perimeter weeded
- Water, tools, and square foot gardening techniques provided
- \$20 bed donation is suggested to cover costs

To register, or if you have questions, please contact the garden site coordinator:
