Following is a brief description of the activity:

Event: **"Cutting for a Cause" (11<sup>th</sup> Annual Hair Donation Event)** Individual in Charge: **Mandy Volkman**

Date of event: **Wednesday, May 7, 2025**

Destination of event: **Columbus Catholic High School**

Estimated time of Event: **1:30-3:00**

Students from St. John or OLP schools should notify their teachers and the secretaries that they  
will be missing school that afternoon.

Students in the MS and HS are going to be attending the event either as donors or spectators, so  
no need to notify school.

On Wednesday, May 7, donors (and a parent if the donor is in elementary school) should be in  
the Columbus cafeteria at 1:30. The stylists will measure and rubber-band hair to the length  
each donor instructs (minimum for donation is 8 inches, but can donate more). At 2:20, donors  
will go into the gym where chairs will be set up for 6-7 donors to have their hair cut. We would  
like photo of the group when all hair is cut. We will probably be done by about 3:00. We may  
have the newspaper and/or TV news here.
