

Food Pantry Volunteer Opportunity

People interested in service and community outreach are encouraged to consider a volunteer opportunity with the Marshfield Summer Farmers Market and Soups and Socks Food Pantry. Volunteers would help coordinate the collection and organization of donated produce and baked goods from market vendors to support local families in need. Responsibilities include assisting with donation collection, record keeping, communication with vendors, and helping maintain an organized pickup area. The Google Form to sign up is <https://forms.gle/RmPGPt35NzqS9xqF6>

For questions or more information, contact Mya Walczak at mwalc284@uwsp.edu or 262-960-6213.
