

End of the Third Quarter (gr. 6–12) – Mar. 20

The end of the third quarter is quickly approaching, with the quarter ending on Mar. 20. Now is a good time for students and parents to review grades and address any questions or concerns. Please contact your teacher if you have questions about specific assignments or grades. Parents and students may access grades through the FACTS Family Portal, which allows you to view overall grades, individual assignment scores, and any missing work.
